WASHINGTON, D. C.,

March 19, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Rayon and Silk Dyeing and Printing Industry, approved December 21, 1933. Notice of Opportunity to be Heard on this amendment was published on February 9, 1935; no objections were received within the twenty-day period ending March 1, 1935. The amendment, which is attached, was presented by duly qualified and authorized representatives of the Industry, complying with statutory requirements, and being the duly constituted Code Authority under the provisions of the said Code for the said Industry.

Article VI, Section 1, is amended so as to conform with the standard mandatory assessment clause. The amendment to Article VIII, Sections 3 and 4, includes in the Code the standard mandatory assessment clause which has been approved by the Administration.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth, and on the basis of all the proceedings in this matter.

The National Industrial Recovery Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving the standards of labor and by otherwise rehabilitating industry;

(b) The Code as amended complies in all respect with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, subsection (a) of Section 7, and Subsection (b) of Section 10 thereof;

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole;

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

MARCH 19, 1935.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE RAYON AND SILK DYEING AND PRINTING INDUSTRY

Article VI, Section 1, is hereby amended to read as follows:

1. Further to effectuate the policies of the Act, the Board of Trustees; to be elected annually by members of the Institute and by members of the Industry who are not members of the Institute but who are complying with the Code and contributing to the expenses of its administration in accordance with the provisions of Article VIII, is hereby designated, together with not more than three persons without vote and without cost to the Industry to be named by the National Industrial Recovery Board, as a Code Authority, for the Industry.

Article VIII, Sections 3 and 4, are hereby amended to read as follows:

3. It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

(b) To submit to the Board of the National Recovery Administration for its approval, subject to such notice and opportunity to be heard as it may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry;

(c) After such budget and basis of contribution have been approved by the National Industrial Recovery Board, to determine and obtain equitable contribution as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

4. Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the National Industrial Recovery Board. Only members of the Industry complying with the Code and contributing to the expenses of its administration as hereinabove provided (unless duly exempted from making such contributions), shall be entitled to participate in the selection of members of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its

approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the National Industrial Recovery Board; and no subsequent budget shall contain any deficiency item or expenditures in excess of prior budget estimates except those which the National Industrial Recovery Board shall have so approved.
